ЛЕНИНГРАД «СОВЕТСКИЙ КОМПОЗИТОР» ЛЕНИНГРАДСКОЕ ОТДЕЛЕНИЕ 1979
LENINGRAD «SOVIET COMPOSER» THE LENINGRAD BRANCH 1979

Композитор Абрам Михайлович Лобковский родился в г. Витебске в 1912 году. Музыкальное образование получил в Ленинградской государственной консерватории, где обучался композиции и оркестровке у Д. Шостаковича.

А. Лобковский — автор двух скрипичных концертов, четырех фортепианных сонат, Сонаты для скрипки соло, Сонаты для скрипки и фортепиано, Концертной сюиты для скрипки и фортепиано, музыки к кинофильмам и спектаклям.

В Концерте для флейты-пикколо, струнных, ударных и арфы многопланово используется солирующая флейта-пикколо, особенно ее свирельное звучание в среднем и нижнем регистрах.

Концерт впервые был исполнен 4 апреля 1978 года в Большом зале Ленинградской филармонии на фестивале XIV «Музыкальная весна» академическим симфоническим оркестром под управлением народного артиста СССР А. Янсонса.

Composer A. M. Lobkovsky was born in Vitebsk in 1912. He got his musical education at the Leningrad State Conservatoire where he studied in the class of composition and orchestration of D. Shostakovich.

A. Lobkovsky is the author of two violin concertos, four piano sonatas, Sonata for violin solo, Sonata for violin and piano, Concert-suite for violin and piano, incidental music for films and plays.

The Concerto for flute-piccolo, strings, percussion and harp is characterized by sharp contrasts of its movements and by emotional tension. The solo playing flute-piccolo is used in many ways, particularly in its pipe sounding in the middle and low registers.

This Concerto was first performed in the Grand Hall of the Leningrad Philharmonia on the fourth of April 1978 during the XIVth *Musical Spring* Festival by the Leningrad Philharmonia Academic Symphony Orchestra under A. Yansons, People's Artist of USSR.
